

Symbol:

TBW-5-2P/GN

Product groups:

Terminal blocks

Product specifications

Product card TBW-5-2P/GN

| | |
|-----------------------------------|--------------------------|
| Type of connector: | pluggable terminal block |
| Contacts pitch: | 5.08mm |
| Number of ways: | 2 |
| Spatial orientation: | straight |
| Connector: | plug |
| Kind of connector: | female |
| Mechanical mounting: | for cable |
| Electrical mounting: | screw terminal |
| Colour: | green |
| Rated voltage: | 300V |
| Type of pin configuration: | 1x2 |
| Current rating: | 15A |
| Body material: | polyamide |
| Locking system: | latch |
| Flammability rating: | UL94V-0 |
| Contact plating: | tinned |
| Operating temperature: | -40...105°C |
| Contact material: | brass |
| Number of terminals: | 2 |
| Height: | 15.2mm |
| Depth: | 17.7mm |

Product card TBW-5-2P/GN

Length: 10.16mm

Stripped wire length: 8mm

Wire cross section: 2.5mm²

Additional information

Gross weight: 0.003 kg
